ALOHA SONG

Punahou, dear Alma Mater,
Now, at last, the time has come
To bid a solemn, fond farewell
To thee, O Punahou.

With tear-filled eyes and saddened hearts,
We slowly turn to leave thy gates.
Our love for thee will never die,
Beloved Punahou.

And though the years may swiftly pass
And we are many miles away,
In gratitude we'll often think
Of thee, dear Punahou.

O, never was a school so great,
Nor ever shall there be again.
How hard it is for us to say
Aloha, Punahou!

MR. WALTER L. CURTIS

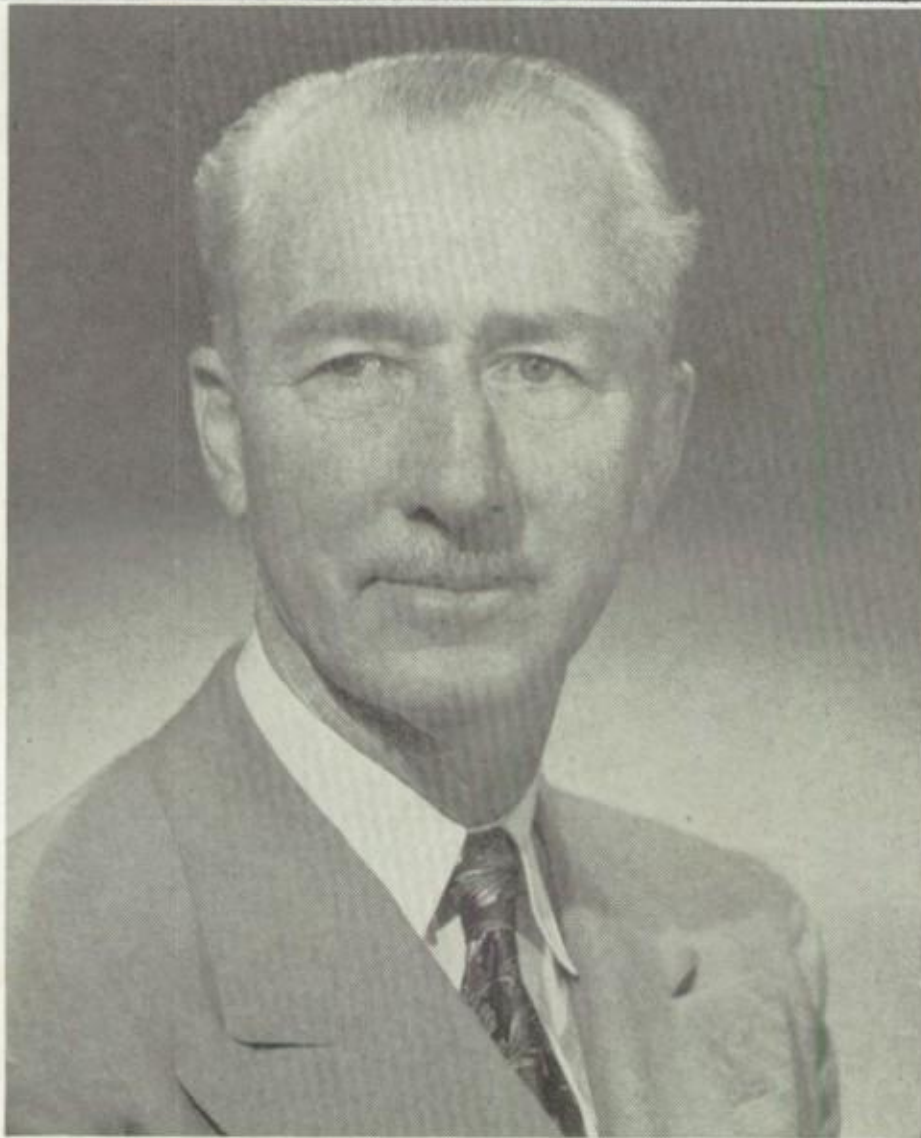

Dedication

To the class of 1949 few men compare with our principal in kindness, warm understanding, and sympathy. Always he has been willing to listen, to advise, and to encourage. Because of this aloha for us and for Punahou, we affectionately dedicate the 1949 *Oahuan* to Mr. Walter L. Curtis.

DR. CHARLES M. COOKE, JR.

Scion of two kamaaina missionary families, Dr. Cooke was known throughout Honolulu as the head of the Board of Trustees of the Honolulu Academy of Arts and a member of the Board of Trustees of the Bishop Museum. Although not officially connected with Punahou except as an alumnus, he was known and loved by Punahou students for many years.

MR. SLADE

Never in the history of Punahou has there been a man more loved and more respected than Jack Slade. As athletic coach, teacher, and principal, he was always ready to give up his own personal plans and leisure time to help others. This quality made Mr. Slade truly unforgettable to those associated with him in his beloved Punahou.

MR. DILLINGHAM, *Trustee*

Trustees

The Board of Trustees of Punahou School is a self-perpetuating body responsible for the property and operation of the institution. There is a wide difference between being responsible and actually caring for the property and running the school. The real work is done by the staff headed by the president. If the staff were to be inefficient and the school ran down, the trustees would be rightly blamed for appointing the wrong people. The Board is the policy-making body; the staff carries out the policies.

There are fifteen trustees. Two are elected each year to serve for seven years. The fifteenth member is the president of Punahou School, who is not elected for any fixed period. Most of the members are alumni, and all are deeply interested in Punahou. The list in the school catalog is correct except that D. Hebdon Porteus has replaced Alfred L. Castle.

The meetings of the Board are held on the second Friday of each month, usually at noon at the Pacific Club. The trustees serve without compensation of any kind (they pay for their own lunches). The presiding officer is the first vice-president, or in his absence, the second vice-president. There are seven standing committees of the trustees provided for in the by-laws: Administration, Boarding Department, Buildings and Grounds, Education, Finance, Music and Scholarship. Special committees are appointed from time to time.

At the monthly meetings the usual agenda include reports of the secretary, the treasurer, the committees, the business manager and the president. Dr. Fox usually arranges to have one or more staff members present to give a brief account of some department or activity of the school. It is a pleasure to record that the accounts thus given are notable for their frankness. The good things are mentioned and also the not so good.

Although the sentence with which this brief statement started out is true from a strictly legal point of view, it is quite clear that the best efforts of the trustees would be futile unless the staff and the students successfully carried out their respective responsibilities. It is a team of three and each has to pull its share.

Don't forget to hang up those — (you know what) —. Be good and don't go skizzling this summer —. Remember Janet — Take good care of her — she damn good so treat her right —. Be good and I hope to see you around this summer —.

See you —
Mary E.

DR. JOHN F. FOX

As you go forward to college, I am glad to recall how cheerfully you have kept your chins up, how you tried to make the honor roll, how you played the game in interscholastic athletic contests with true Punahou fighting spirit, how much fun were your dances, the aquacade, carnival, dramatic productions, glee clubs, band, canteen, *Ka Punahou*, yes, and even R.O.T.C. and the Student Court. These are memories of Punahou that will be indelibly inscribed in your consciousness for always.

Your diploma bears testimony that we who represent the authority of Punahou—trustees, administration, faculty—have every confidence in your accomplishments and in your promise. We have set the seal of your alma mater upon you, in the expectation that you will continue on the path on which you have started.

Your past at Punahou is meaningful only as it implies a promising future. Having done her best to make your immediate past purposeful, Punahou School looks forward to your future with confidence, with trust, and with the prayer that God may bless you.

John F. Fox

Administration

The real strength of any school lies not in the beauty of its campus and buildings, nor in its curriculum, nor in its past or present achievements on the athletic field, but in the quality, ability, and morale of its faculty. An institution of learning with a weak teaching staff is like a body with a weak heart. The results of strong or weak teaching are clearly reflected by its graduates as they go on to institutions of higher learning. Punahou must always find and try to hold men and women who love to teach and have a sympathetic understanding of the numerous problems of young people.

For many years Punahou has been fortunate in being able to attract a capable and well-balanced group of teachers, and this year of 1948-49 has been no exception. In the Senior and Junior Academies some twenty different home states are represented from Maine in the East to Oregon in the West. This cosmopolitan group has attended some forty different colleges and universities. The length of teaching experience ranges from none up to thirty-five years.

Modern youngsters demand teachers who are interested not only in their pet subject but in outside interests. In a recent questionnaire submitted in the Senior and Junior Academies Punahou teachers showed interest in some thirty different hobbies. These same teachers belong to various organizations such as the Naval Reserve, Community Theater, Honolulu Symphony, Institute of Pacific Relations, Honolulu Business Club, A.A.U.W., Honolulu Art Society, and Honolulu Gleemen, while still others are engaged in radio work, Red Cross, Y.W.C.A., Boy Scouts, etc. Several others took courses at the University of Hawaii. In addition to heavy teaching, coaching and other extracurricular loads, this amazing Punahou faculty found time somehow, during the school year, to bring into the world nearly a dozen babies to grace our lovely campus.

MR. CURTIS

Principal Senior Academy

As we look back on the past year we forget the tedious chores of correcting papers, making out tests and grades, preparing assignments, making Mary and Johnny toe the mark (for their own good, of course!), faculty meetings, committee meetings, and Lokahi meetings. There comes to mind instead the exciting athletic contests when we all pulled for the Buff and Blue to win; or pleasant evenings at the Aquacade, play productions, Carnival, and school dances. But best of all—those welcome holidays when we could relax at the beach or do our yard work. There really hasn't been a dull moment, has there? Ours has been indeed a varied and rich experience which can be fully appreciated only by those who love to work and play with young people. May we always keep young in spirit and look upon our profession with pride as a "glorious adventure."

Alumni

The relationship between the Punahou Alumni Association and the school has always been intimate. To bring the Association even closer to the students and to supplement the friendly relations which it enjoys with the President and Board of Trustees, the Alumni Association this year voted to invite a representative from the senior class to attend the meetings of its Board of Directors.

Twelve alumni members, three from each of the major islands are appointed as territorial councilors by the trustees and are invited to attend designated meetings. They represent the school on the outside islands. They are as follows: Hawaii—Pierre Bowman, Gwendolyn Gurrey Williams, E. Montgomery Clark; Maui—Marion Field Brandt, C. Eric Reppun, Leilehua Judd Eldredge; Oahu—James M. Greenwell, Charles M. Cooke, III, Robert S. Lowery; Kauai—Lila Larsen Morgan, William P. Alexander, Albert W. L. Duvel.

Members of the Alumni Association serve on the President's Council, the Athletic Council and the Living Endowment Committee.

The Association publishes several Alumni Bulletins annually and has a get-together for Punahou enthusiasts at its June meeting on the campus. The graduating class is honored at this time and the members are welcomed as alumni. We provide several scholarships and reward scholastic achievement by presenting fifty-dollar checks to the two seniors having the highest averages for their sophomore and junior years. This year's winners were Jane Wylie and Jean Fox.

Individual Punahou alumni are active in all phases of Punahou's life: teaching, coaching, advising, contributing time and money and constructive criticism.

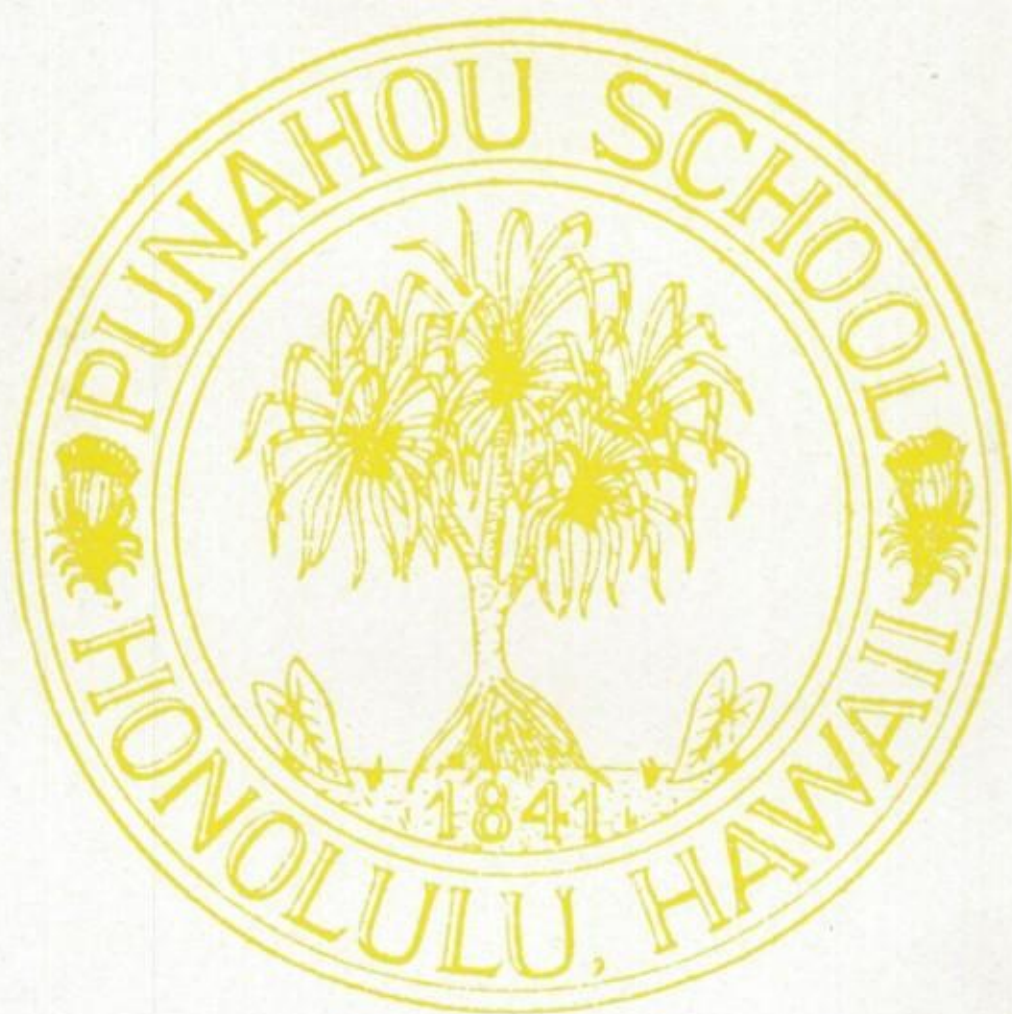

Our happiest function is to provide an organization through which Punahou graduates can continue their school friendships and interest while also contributing to their community. For there is no other school that commands so much respect from those who have had any contact with it or so much affection from those who are its graduates.

We hope you will all join us in that spirit.

CLASSES OF 1949

S. Shepardson
H. Halsted

We are the forty-niners, and in keeping with our ancestors we, too, search for gold. The gold we find is not real but is just as precious in the form of those things which enrich our lives. As we go through life, the pot of gold for each one of us will fill rapidly or slowly according to our successes and failures. The part Punahou has played is now and always will be the most important factor. Someday years from now we shall perhaps look at our own pots of gold and remember all the things that went into the formation of that biggest nugget: our participation in sports, school activities, and social functions. Without the consideration and understanding of our teachers this nugget could not have been formed.

We have found gold not only in the academic phase of our school life, but on the athletic field as well. With this broad background we shall go out into the world seeking that which will make our lives richer, purer, and more worthy.

From toys and dolls to physics and chem books we have played and worked together in harmony. We spent our childhood days in Rice Hall and felt very important when we "graduated" into the seventh grade. During the war we were crowded in with both the Junior and the Senior Academies at the Teachers' College, and we had a big job contending with those mighty seniors. We held our own, we thought, and proved ourselves very efficient when we came out on top in the eighth grade in one of the war bond drives. We were filled with great happiness and relief as the war came to a close, and we moved back to our own beautiful campus. Bishop Hall was made our home as we became the leaders of the Junior Academy and assumed more responsibilities. A little later it was a blow to our feeling of superiority when we were regarded as those "sophomore brats," but at last we had joined that big Senior Academy family. We at once became active in sports, clubs, and various school activities. When we climbed into the position of juniors, we were proud to be the "filling" of the Senior Academy sandwich. We did a bang-up job on the Junior Carnival, our big project for that year. Finally, we became seniors and assumed the responsibility of leading the Senior Academy. We did well in studies and sports and before we knew it, it was time to say "aloha" to our faculty and friends.

JOSEPH AIU

Hi-Y 11, Secretary 12; Ka Punahou 10; Boys' Glee Club 12; Kumu Club 12; Junior Varsity Football 10; Junior Varsity Baseball 10.

Joe is a "charter member" of our class since he entered Punahou in nursery school days. Whether it's an ukulele or a baseball bat he's toting, Joe is always active. We couldn't have done without the ever-friendly, even-tempered Joe.

JAMES ANDERSON

Music Club, Treasurer 12; Junior Varsity Swimming 10, 11; Varsity Swimming 12; Boys' Double Triple Trio 12.

Jimmy, a quiet, friendly lad who hails from Waialua, works hard in the classroom and attains good results. With true Punahou spirit Jim backs every school project. He is indeed a welcome addition to any group.

ALLAN ANDRADE

Bridge Club 11; Varsity Football 12; Ka Punahou 10; Boys' Glee Club 12; Junior Varsity Track 10, 11; Junior Varsity Football 10, 11; ROTC Lieutenant 12.

Quiet and reserved on the surface but gay and friendly at heart—this is Allan. If there's a twinkle in this popular fellow's eye, clear the way—you'll know that he's up to mischief. When Allan is around, there's never a dull moment.

CHARLES ANE

Hi-Y 10, 11; Varsity Football 10, 11, Captain 12; Varsity Baseball 10, 11, 12; Varsity Basketball 10, 11, 12; Junior Carnival Staff 11.

Teetai, the big, jovial Samoan, is "a must" wherever fun is to be had, and he has enlivened many a gathering with his spritely wit. A natural athlete, he has been a familiar figure on the gridiron, basketball court, and baseball diamond.

JAMES BELL

Hi-Y 10, 11, 12; Varsity Football 12; Varsity Basketball 12; Extra Curricular Committee 10, 11; Boys' Glee Club 12; Kumu Club 12; Student Court 12.

Jim disproves the old adage that brawn comes without brains. He can hold his own on the gridiron or in the classroom. His subtle sense of humor has made him a popular lad with the fellows as well as with the gals.

CHARLOTTE BICE

Student Council 11; Student Body Secretary 12; Hui Eleu 10, 11; Y-Teens 12; Junior Carnival Staff 11; Rally Committee 11; Ka Punahou 11.

Charlotte—intelligence and charm. These attributes and her ability to handle all kinds of tasks prove that Punahou gained a lot when "Ceebee" joined its ranks. This petite red-head with her effervescent personality will long remain in the hearts of those who know her.

BEVERLY BLOM

Student Council 10, 11, 12; Hui Eleu 10, 11; Y-Teens 10; Cribbage Club 12; Booster Club 10; Forum Club 11, 12; Varsity Swimming 11, 12; Aquacade 10, 11, 12; Student Court Judge 10, 11; Junior Carnival Staff 11.

Vivacious and attractive but at the same time cooperative and serious in purpose, Bev has captured the Punahou spirit. Always ready and eager to do her part, she has helped make the '49ers a memorable class.

LOUISE BOAZ

Cribbage Club 12; Varsity Swimming 12; Aquacade 12.

Lou, with her wavy blond hair and hazel eyes, makes her entrance with a cheerful "Hi" and enlivens any gathering. Louise's friendly manner and quick smile have made her very popular among her friends.

GLORIA BRITTAIN

Hui Eleu 10, 11; Bridge Club 12; Booster Club 10, 11; Theta Pi 12; Fall Play 12; Variety Show 11, 12.

Gloria is another member of Punahou's long ranks of "lustrous blonds." Her keen interest in new fads and the latest tunes adds much to her already lively personality. Playing an eager game of bridge is but one of her many interests.

ELINOR BROOKS

Hui Eleu 11; Y-Teens, President 12; Booster Club, Group Secretary 11; Aquacade 11; Dance Band Singer 12; Girls' Double Triple Trio 11, President 12; Theta Pi 11, 12; Fall Play 11, 12; Spring Play 11, 12; ROTC Sponsor 12; Variety Show 11, 12; Junior Carnival Staff 11; Modern Dance Club 11.

Wee, vivacious Ellie, known for her dramatic ability, is a born entertainer. For everyone there is a cheery remark or a friendly smile as Ellie lends the campus a gay air. This explosive, jolly gal is constantly on the move and is always having fun.

HAROLD BURGESS

Hiking Club, Vice President 11; ROTC Captain 12.

Never a vociferous talker, Hal converses in a soft, gentle tone of voice and brings logic to bear on his argument. Hal has an interest in the military field as is shown by his presence and help at the Armory; and when it comes to boxing—boys, beware!

DIANNE BURNS

Hui Eleu 11; Y-Teens 11; Music Club 11; Aquacade 11, 12; Ka Punahou, News Editor 11, Ass't Editor 12; Oahuan, Snapshot Editor 12; Girls' Double Triple Trio 12; Theta Pi 12; Fall Play 12; Spring Play 12; Glee Club 11; Junior Carnival Staff 11.

Who's the worker on the committee, the spark of life at the party, the go-getter with the red hair? Why, that's Dianne! Whether she's your best pal or a casual acquaintance, this Punahou gal is a friend to all.

JOAN BUTLER

Hui Eleu 10, 11; Y-Teens 11; Bridge Club 12; Camera Club 11; Aquacade 11, 12; Girls' Double Triple Trio 11, 12; Castle Hall, Treasurer 12; Glee Club 11, 12.

Joan, the sweet blonde from Hana, Maui, has been a part of Punahou since she first came. Though seemingly quiet, she surprises her pals with a clever quip at the right time. Her love for horses and sports adds to her charming personality.

PETER BUTLER

Hi-Y 11; Hiking Club 11, 12; Camera Club 10; Junior Varsity Football 10; Junior Varsity Basketball 10, 11; Varsity Basketball 12; Varsity Track 11, 12; Theta Pi 11, 12; Fall Play 11, 12.

Though seemingly shy, Pete is quite the conversationalist when it comes to informal discussions. Particularly interested in basketball, he proves an asset on the basketball court. For a less strenuous pastime, Pete chooses dramatics in which he has participated for a long time.

ROBERT CAIN

Art Club 12.

Bob, formerly a student at Roosevelt, joined our merry group this year. Unusually talented in art, this tall blond boy would make a good commercial artist. On the less serious side, he too is particularly fond of surfing and basking in the sun.

DONALD CARTER

Bridge Club 12; Hiking Club 12; Varsity Track 12.

The initiative and steady industry of this newcomer to Punahou have earned for him an excellent reputation. With an abundance of humor and a perpetually happy grin, Don intends to make the world a better place in which to live—architecturally anyway.

SHIRLEY JANE CARTER

Art Club 12.

A newcomer this last year, Shirley possesses a pleasant personality which helped her to make an easy adjustment to life at Punahou. With her good taste and artistic ability, this curly-haired girl has made a definite place for herself in the class of '49.

MARILYN CATTERALL

Hui Eleu 10, 11; Y-Teens 11, 12; Music Club 11; Stage Crew 12.

Marilyn's exuberance and lively spirit are accentuated by her laughing green eyes and infectious giggle. As a good part of her life revolves around sailing, few of her many chums can furl a sail or swab a deck as well as this gal can.

DOROTHY CHANG

Hui Eleu 10, 11; Y-Teens 11; Cribbage Club 12; Camera Club 11; PGAA Letter 10, 11, 12; Girls' Rifle Team 12; Chinese Club 10; Oahuan 12.

Endowed with an endless amount of energy for both work and play, Dorothy is one of the most active members of the girls' dorm. One of the activities which she likes best is keeping people posted about her home island, Kauai.

EDWIN CHANG

Hiking Club 12; Varsity Swimming, Manager 10, 11; Ka Punahou 10, 11; Assembly Committee 12; Chapel Committee 11, 12; ROTC Lieutenant 11, Junior Carnival Staff 11; Senior Prom Chairman 12.

The term "manager" describes Eddie exactly. He is always working hard on many school activities, and he also takes time to give advice to his classmates on many subjects. His good nature, ability, and cooperativeness will help Eddie a great deal in life.

CORA CHAR

Hui Eleu 10, 11, 12; Y-Teens 11; Bridge Club 12; Music Club 11; PGAA Letter 11, 12; Aquacade 12; Ka Punahou 11, 12; Quill and Scroll 11, 12; Girls' Tennis Team 10; Junior Carnival Staff 11; Chinese Club 10, Treasurer 11; Oahuan 12.

Cora has been a Punahouite for twelve years, but despite this fact she would still be an integral part of our class. Her quick laughter has made her many friends, and we shall never forget the fun we've had at her Sunset Beach home. There are not words enough to describe this efficient and chic wahine.

VIRGINIA CHARLOCK

Hui Eleu 10, 11, Secretary 12; Cribbage Club 12; Booster Club 11, Aquacade 12; Theta Pi 12; Spring Play 12; Fall Play 12; Junior Carnival Staff 11.

An excellent horsewoman, "Ginger" hurdles every obstacle easily and gracefully whether she's on a horse or around the campus. Her everlasting energy and good humor have made her a well-known and much-liked wahine.

DUDLEY CHILD

Hi-Y 12; Bridge Club, Vice President 11; Varsity Track 12; Boys' Glee Club 12; Junior Carnival Staff 11.

A keen wit and loyal friend is our "Dewey." With his vivid imagination and humor, he appears to be quite a story teller. When not busy reviewing his exciting experiences, "Dewey" is planning ahead for the weekend. Despite his joking, he is a sincere person.

ELOISE CHUN

Hui Eleu 10, 11; Y-Teens 11, 12; Booster Club 11; PGAA Letter 10, 11; Aquacade 11, 12; Ka Punahou 11, 12; Oahuan 12; Quill & Scroll 12; Girls' Tennis Team 10; Junior Carnival Staff 11.

With Eloise in the company there is plenty of good healthy humor to disperse the clouds of gloom. Always a first class rooter at our interscholastic games, this gal also finds time to make those all-important high grades in her studies.

PEARL CHUN

Hui Eleu 10, 11, 12; Y-Teens 11; Bridge Club 12; Ka Punahou 12; Oahuan 12; Chapel Committee 11; Chinese Club 10, 11; Girls' Glee Club 11.

A true and sincere friend who can be depended upon and confided in is "Snookie." Her genuine greeting and gayety have won her many friends. Well-known for her ability to play bridge or any other card game, "Snookie" is always ready for more fun.

DAVID CLARK

JOHN KENWORTHY

Boys' Glee Club 12.

Bubbling over with pep and energy is "Sako," Punahou's own since the first grade. Always full of devilment and gayety, she is an essential in the fun-making department. But behind that mischievous smile and sparkling eye is a sincerity surpassed by few.

HINTON TAYLOE

Bridge Club 12; Varsity Football 12; Varsity Track 12.

Entering Punahou for his senior year, Hinton came from Washington, D.C. Enthusiasm and determination on the athletic field prove his outstanding interest in all sports. With his friendliness and sincerity he has attracted many friends in his short time in Hawaii. Unassuming in manner and earnest in thought, Hinton is one of our more conservative members.

"Buzzie's" determination and good sense have enabled him to handle a king-sized job this year. Nevertheless, he's always had time to give everyone a friendly "Hi." If his jalopy hasn't given up the ghost yet, anyone's entitled to a hair-raising ride—police siren and all.

JOYCE TIEFENTHAL

MONA TRAVIS

Hui Eleu 10, 11; Bridge Club 11, 12; Booster Club 10, 11; Aquacade 11, 12; Chapel Committee 11; Fall Play 12.

A green-eyed, mischief-making package of dynamite is the explosive Mona. Her devilish grin and super-charged personality mark her as a winner. When personality and good looks were handed out, Mona must have been first in line.

ALICE TUCKER

Hui Eleu 11; Music Club 11, 12; PGAA Letter 12; Aquacade 12. Lovely to look at, delightful to know is Alice. Not only is she a talented pianist and artist, but she can swing a mean baseball bat. She's equally at home at a football game or a concert. Alice is a beautiful blend of charm, intelligence, and vivacity.

ANITA TURNER

Hui Eleu 11; Y-Teens 11; Art Club 12, President 11; Aquacade 11, 12; Castle Hall, Secretary 12; Theta Pi 12; Fall Play 12.

CHARLES WADSWORTH

Charlie's pleasant disposition and likeable manners make him everybody's friend. His main interest is photography, which he practices on Maui as well as on Oahu; he should go far in this field.

DAVID WALKER

Science Club 12; Hiking Club 11, 12; Boys' Glee Club 10, 12; Junior Carnival Staff 11.

Nicknamed "Toby" in his elementary days at Hanahauoli, David is one of our more industrious students. When you hear music or a discussion about shell collections, you can be fairly sure that Toby is right there in the middle of these discussions.

ELIZABETH WALKER

Hui Eleu 10, 11; Booster Club 11; Band 10, 11, 12; Dance Band 12; Varsity Swimming 10, Manager 12; PGAA Letter 10; Aquacade 10, 11, 12; Variety Show 12; Junior Carnival Staff 11.

RUTH ANN WALSH

Bridge Club 12; Girls' Glee Club 12; Aquacade 12; Fall Play 12; Variety Show 12.

This friendly newcomer lost no time in making many friends at Punahou. Ruth Ann entertains the girls with a variety of jokes. With her easy-going manner and amusing conversation she is often the center of attraction at many social gatherings.

RUTH WIDMAN

Bridge Club 12; Aquacade 12.

A wide friendly smile, long wavy blonde hair, and an enviable complexion introduce you to Ruth. This "Marine junior" has only been with us for one short year, but this year was enough to convince all who know her that Ruth will go far.

ROBERT WIKEEN

Student Court 12; Class President 10; Hi-Y 10, 11, 12; Kumu Club 12; Band 10; Varsity Football 12; Varsity Track 10, 11, 12.

A loud crash and a few loose bolts usually announce Wikeen's arrival. Possessing unruly blond hair, a ready grin, and a beat-up jalopy, Bob is a well-known figure on the campus. His varied pranks have amused his classmates as much as they have annoyed his teachers, but even they must agree that he is an indispensable morale builder.

URBAN WILD

Bridge Club 11, 12; Aquacade 12; Theta Pi 12; Fall Play 12; Spring Play 12; Stage Crew, Ass't Stage Manager 12.

The "man from Mars" apparatus atop his beloved Ford V-8 is only one of many signs that Urban is around. When this friendly, brown-eyed skyscraper isn't working backstage, he's right in the thick of whatever plans for a good time are afoot.

ELIZABETH WILLIAMS

Ka Punahou 12.

"Call me Betty," she exclaims at an introduction. She is generally radiating with life, ready to do her part of the work, and ever-watchful for a good time. That shy smile and little twinkle that creeps into those big, blue eyes make the day brighter.

FREDERICK WOLFORD

Bridge Club 12.

"Howdy"—Fred's familiar greeting signifies his sociable nature. Soft-spoken at school, he saves his energy for mechanics, his hobby. When not studying, Fred is generally found investigating machines or repairing his car for which he is his own mechanic. Coming from Kaneohe every day, he has to keep his car in good running condition.

A man's man—that's Sandy. Sandy is glib enough to be popular in palavering with the boys and smart enough to give his classmates an inferiority complex. Although only a recent member of the Wilcox gang, Sandy's so full of ideas you can't tell him apart from the ka-maainas of Rocky Hill.

SAMUEL WOOLLEY

RANDALL WORTHINGTON

Student Council 12; Hi-Y 12; Varsity Basketball 12.

Having been away for a few years, Randy came back this year to graduate with his class. Hailing from Lanikai, he takes advantage of the good fishing which takes up much of his time. Being tall, Randy has been a fine addition to the basketball team.

DONALD YAP

Hiking Club 12; Chapel Committee 12; Band 12; Dance Band 11, 12; Boys' Glee Club 12; Spring Play 12; Variety Show 11, 12.

Donald's arrival at Punahou gave us a very talented musician. Whenever there is a piano present, you may be sure that Donald has been or will be there soon. His comical good spirits attribute much to his numerous friends and to the success of many parties.

KWOCK YEE

Hi-Y 11, 12; Junior Varsity Baseball 10; Junior Varsity Basketball 10; Varsity Baseball 12; Boys' Glee Club 12.

"Bayee," a Punahouite from nursery school days, has always been a lively member and a strong supporter of our class. His uninhibited laugh and sparkling personality add merriment to any crowd. "Bayee" will long be remembered for his love of parties and grilled steak.

CARA LEE YOUNG

Hui Eleu 10, 11; Cribbage Club 12; Music Club 10; Booster Club 11; Aquacade 10, 11, 12.

"Keko," a beautiful blond possessing a trim figure and an enviable tan, is a well-known prankster. She's enlivened many a dull evening at the Hash House with her tricks. The Punahou wolf whistle is heard whenever "Keko" appears, and she's equally popular with the wahines.

JACK YOUNG

Hiking Club 11, 12; Camera Club 10; Forum Club 12; Aquacade 12; ROTC Captain 12; Ka Punahou 11; Oahuan 11, 12; Theta Pi 10, 11, President 12; Fall Play 10, 11, 12; Spring Play 10, 11, 12; Stage Crew Ass't Stage Manager 11, Stage Manager 12; Junior Carnival Staff 11.

CLASSES OF 1950

M. A. McCorriston
I. Bowen

The class of 1950! That's us. We'll graduate right in the middle of the century, but we'll be remembered for more than just that.

Our big moments began with our Sophomore Edition of *Ka Punahou*, a lot of fun and work. Then in the fall of 1948 the American Chinese Club was the scene of our gala Junior Prom. We dropped everything in February to produce a Junior Carnival that will long be remembered. Every junior did his part and gave his all to make it one of the best in Punahou's history. Meanwhile, our scholastically and athletically inclined members were accomplishing much on the field and in the classroom.

Now we look forward expectantly to the year in which we will graduate, but perhaps not without a twinge of remorse that we have to leave behind our beloved alma mater and all its glories.

CLASSES OF 1951

T. Dease
P. Char

When we mighty frosh graduated into the Senior Academy, it was not without trepidation. Would we fit into the new routine? Showing a remarkable ability for adjusting ourselves, we soon became familiar with our new life.

Our little finger was in the middle of all the school activities. Who cheered and sang the loudest during football games? Why, the sophomore class did! Who was right there backing up the boys while basketball and baseball games were going on? Why, none but the sophomores! The Glee Clubs and Double Triple Trios boasted many sophomore voices, proving that we could not only yell but also sing. In the fall and spring plays some of our classmates were added to the star-lit ranks of veteran performers.

This year has been a successful one. Thanks, teachers, for helping us over the hurdles.

Representative Assembly

As the law-making branch of the student government, the Representative Assembly makes all the laws and bylaws pertaining to student activities. The Assembly is made up of one representative from each homeroom plus the four student body officers. With a representative from each homeroom, the Assembly provides a true consensus of student sentiments, opinions, and desires. New representatives are elected at the beginning of the second semester. Sam Woolley, Punahou Academy Students Association vice-president, is the presiding officer. The secretary is Charlotte Bice, who also serves as secretary to the Students Association. Miss Grace Graham acts in the capacity of adviser.

C. Bice
D. Dease

To expedite the work of the Assembly, standing committees are appointed. Among these are: the Bylaws Committee, the Club Charter Committee, the Clean-up Committee, and the Bulletin Board Committee. Robert Deverill and Ian Cooke serve as chairmen of the Bylaws Committee. This committee revised and classified the bylaws made by past student councils into one permanent ledger. The Club Charter Committee headed by Beth Hackett checks over club constitutions to see that they comply with club regulations. When approved by the Assembly, the clubs are issued charters. The Bulletin Board Committee organized late in the year was headed by Ann Halsted and John Richards. They are in charge of all material posted on the Alexander and Bishop Hall bulletin boards.

In line with consolidating charity drives, three major fund-raising drives were held this year. They were the Community Chest Drive, the Punahou Gift Chest, which contributes to ten separate organizations, and the Living Endowment Fund Drive. In addition to these drives, a silver offering was collected once a month during chapel services for the support of Punahou's war orphan, Marie Sumkay.

Student Court

Under the able leadership of the two Chief Justices, David Eldredge and Harrison Halsted, the functioning of this year's Student Court was highly successful.

Established last year, the Student Court is the judiciary body of our student government. It enforces regulations formulated by the student body and provides corrective measures for student offenders.

Consisting of ten judges, a court clerk, a chief justice, a sergeant at arms, and a faculty adviser, the Court endeavors to give punishment which will be of benefit to the offender and aid him in becoming a better student citizen.

FIRST ROW: D. Dease, E. Schattenburg, W. Thompson, H. Takakuwa. SECOND ROW: R. Steadman, S. Woolley, R. Westley, J. Hutchinson. NOT IN PICTURE: C. Bice, B. Lindquist.

Executive Council

Operating this year under the new constitution of the Punahou Academy Students' Association, the Executive Council functions in the same way as the United States Senate. Because the Council is a small, compact body close to the problems of the school administration, it is the most influential of the three departments of the student government.

Headed by Student Body President "Buzzie" Thompson, the Council is composed of the following members: Sam Woolley, vice-president; Charlotte Bice, secretary; Dulce Dease, treasurer; Ellen Schattenburg, social chairman; Barbara Lindquist, Richard Steadman, Robert Westley, class representatives; James Hutchinson and Hisako Takakuwa, athletic representatives.

Chapel Committee

The Chapel Committee is an active one and the students that serve on it have considerable responsibility. To this committee along with its adviser, Chaplain Driftmier, goes the credit for the many worthwhile chapel services that are held each year. Each week arrangements must be made for a service that will be formal enough to be dignified and informal enough to be pleasant and personal. During the course of the school year approximately seventy-five students have the opportunity of acting as lay readers or altar boys. Another very large group of students have the opportunity of participating in the Music School's provisions for special chapel music.

Punahou is proud of its beautiful chapel altar and accessories. At the first chapel service of this school year impressive dedication ceremonies were held for the new chapel furnishings. The altar was the gift of the Class of '48 and was designed and constructed in Honolulu.

Several outstanding clergymen and civic leaders have been guest speakers at the chapel services. Because the services are non-sectarian, the guests have come from many different churches, Methodist, Presbyterian, Episcopalian, Baptist, and Congregational, just to mention a few. A special Thanksgiving service was addressed by Dr. John Fox, and a beautiful memorial service was held for Mr. John S. Slade.

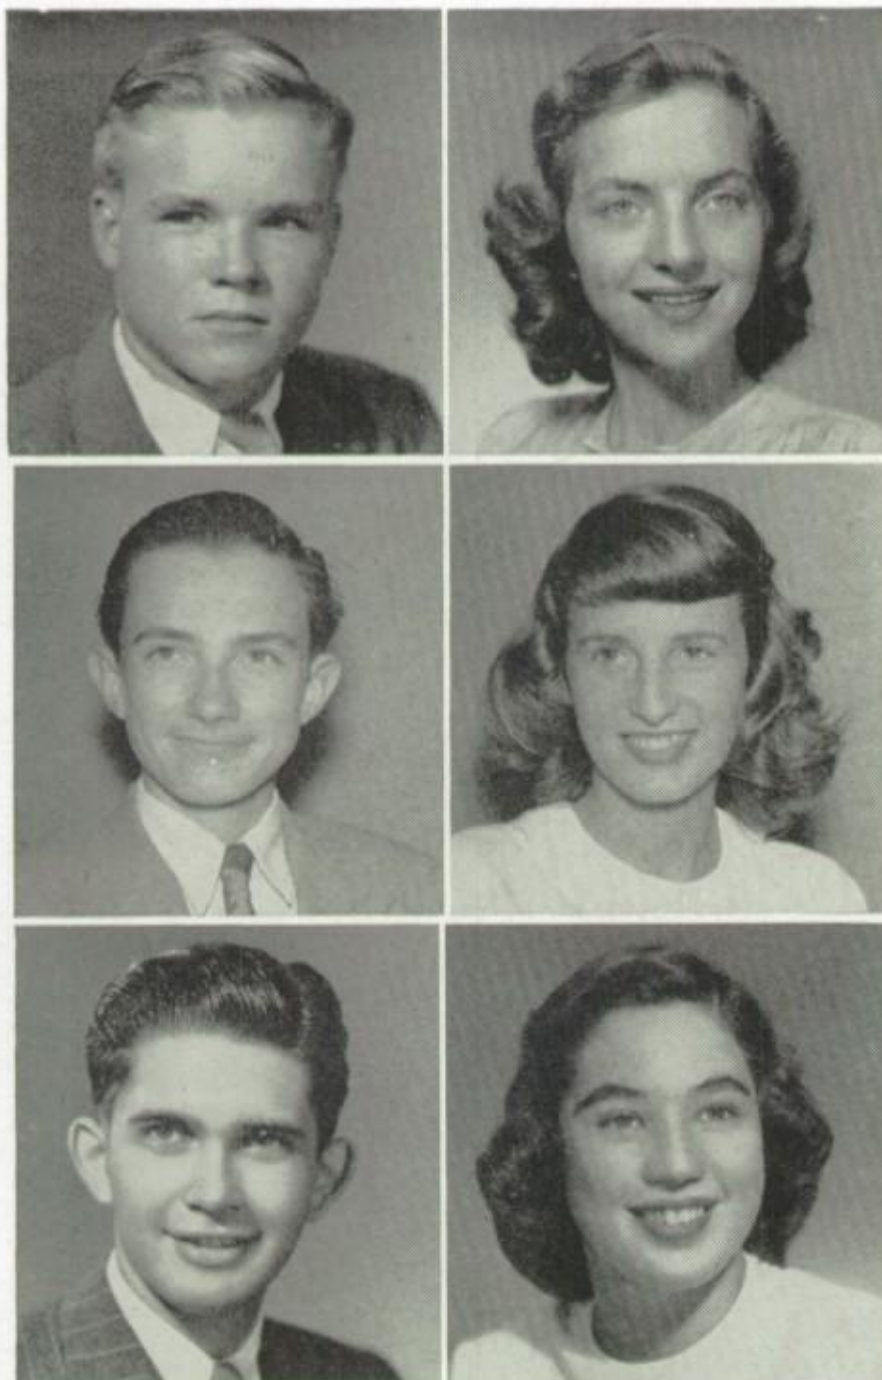

The chapel services have played a big part in the charity activities of the school. In the fall the chapel services were directed toward encouraging support of the Community Chest Fund, and in the spring the Punahou Gift Chest Fund was given considerable support by the chapel services. At regular intervals a silver offering is taken at the close of a chapel service to be used for the support of a war orphan. At all times these offerings have been most generous.

It is a tribute to the chapel committee that at no time has any student of any faith or denomination been offended by the conduct or content of a Punahou chapel service. The emphasis has always been on the things in which we all believe, and points of difference have been carefully avoided.

Although we are divided in creed, our chapel services have united us in purpose. Week after week our devotion to God has been heightened and our church interest quickened. We have been challenged to better our lives by faithfully serving our fellow men and forcefully resisting all that does not measure up to Christian standards.

FIRST ROW: V. Cowart, Chaplain Driftmier, R. Clarke. SECOND ROW: A. Hiu, I. Bowen, W. Wong, G. Johnston, M. Craft, B. Belding.

R. Tinker, S. Shepardson, J. Smith, T. Dease, S. Van Culin, M. Blaisdell.

These awards are presented to the outstanding boy and girl in the senior class. These two students are chosen at the end of the school year by their classmates on the basis of leadership, scholarship, courage, honor, and service to their fellow-men.

The Harvard Club gives a book award each year to the outstanding junior boy, chosen for excellence in leadership, scholarship, and character. Gilbert Ogawa in 1948 received a bound volume of the works of a contemporary author.

The McEldowney-Mathias award, a comparatively new honor, is given each year in remembrance of Robert McEldowney, and Gwynn Mathias of the class of 1938 who gave their lives for their country in World War II. The award is a calabash which is given to a junior boy and a junior girl for excellence in scholarship, athletic ability, and citizenship. In 1948 the award was presented to Mervlyn Conner and David Eldredge.

Awards

The Damon contest, Punahou's annual speaking contest, was begun in 1898. Originally, a contest in declamation it changed to a contest in extemporaneous speaking; and, more recently, it has become a prepared speech contest. The 1948 winners were Sidney Shepardson and Dick Tinker. In the Junior Academy the winners were Theanne Dease and Joe Smith.

Since 1938 the Alumni Association has offered annual awards of fifty dollars each to the two seniors who, in their sophomore and junior years, have maintained the highest scholastic record in their class. The recipients of the 1948 awards given early in the fall of the present school year were Jane Wylie and Jean Fox.

The American Legion awards for 1948 were won by Marilyn Blaisdell and Sam Van Culin.

Oahuan

Few people realize what concentrated effort is necessary to conceive, make up, write, and publish a school yearbook. However, this year's staff has realized its task quite well. Last spring a group was chosen from the class of 1949 to work on this *Oahuan*. From the group Meredith Crossley was elected Editor-in-Chief and Nancy Gibson, Assistant Editor-in-Chief. Responsibilities such as handling finances, lay-out, snapshots, write-ups, and class pictures were delegated to individual editors.

The faculty advisers, Miss Helen Dunn and (later in the year) Mr. Arthur Silverman, were indispensable in helping to solve the many knotty problems which arose.

With "eats" and jokes to carry them through the many uncertain moments the staff feels that their problems have been surmounted nobly and that the 1949 *Oahuan* is indeed one of the "best yet."

"It fits!"

"Hard at work."

Ka Punahou Staff Picnics at Kailua

The red faces and brown bodies wandering through the halls this morning are the results of a rip-roaring weekend picnic by that hard working Ka Punahou staff given at the Kailua Officers' Annex November 6, 1948.

After the next issue of the paper was "put to bed," 75 KP'ers piled into various "hot-rods" and away they sputtered.

Mr. Byron Doenges, K. P. adviser, and Mitsi Tokioka, editor, had arranged for "dee-lish" food, and after swimming it was devoured by the hungry staff!

The remainder of the afternoon was spent swimming, "catching a tan," playing volleyball, and singing to "ukes." Of all the groans over its results everyone had a "nifty" time.

KP Mirrors Pun Life

Ka Punahou is the mirror of Punahou life. The paper goes into the hands of 1400 readers every Tuesday, the staff editorial work being done on the Friday and Saturday before. The weekly has been the largest extra-curricular activity on the campus for twenty-nine years. From its early beginning up to today, Ka Punahou has been consistently judged by The National Scholastic

Mitsi Tokioka Elected Editor

Editor Furtado Lists Major KP Staff

LaVerne Furtado, junior, was elected editor of Ka Punahou Wednesday, January 12. She replaced Mitsi Tokioka, who was editor the first semester.

LaVerne has served as editor of the Junior Academy page, copy-reader, headline writer, reporter, news editor, and assistant editor previous to her election to the editorship.

The new editor has listed the following people as members of her major staff: assistant editors, Jane Fernandes and Dianne Burns; news editors, E. J. Greaney and Beth Hackett; feature editors, Sam Stewart and Iris Bowen; sports editors, Bill Fink and Ken Nakagawa; head copyreaders, Amelia Chang and Jean Matsukage; head proofreaders, Bea Fujiwara and Connie Feeley.

Press Association as an all-American paper. Mr. Arthur Silverman can be called the grand-daddy of the paper, having been adviser since it was first published. Taking his sabbatical leave this year, Mr. Silverman left his position to be filled by Mr. Byron Doenges.

Charlotte Mangelsdorf New Business Mgr.

The student body elected Mitsi Tokioka and Charlotte Mangelsdorf, seniors, to the editorship and business manager post respectively of Ka Punahou.

Mitsi will serve in her position during the first semester of the 1948-1949 school year while Charlotte will be business manager during the whole year.

Mitsi chose the following students for her major staff: Jane Wylie and LaVerne Furtado, assistant editors; Corliss McCausland and Jane Linn, news editors; Jean Matsukage and Amelia Chang, feature editors; Dick Walker and Merlyn Lyons, sports editors; Beth Hackett and Iris Bowen, head copyreaders; and Jane Fernandes and Pearl Mori, head proofreaders.

Charlotte's staff will consist of Sam Stewart and Derek Schausten, advertising managers, and Janet Julien, circulation manager.

Quill and Scroll

Quill and Scroll is one of Punahou's two honorary organizations and its only national society. Members are admitted because of distinguished work in the field of journalism, either on *Ka Punahou* or the *Oahuan*, providing they fulfill the standards set by the national organization. The purpose of the club is to promote interest in journalistic work.

The club took over the publication of the April Fool's Day edition of *Ka Punahou* as its main project. The carrying out of their elaborate plans for a fun-filled edition proved the members' proficiency in journalistic work.

Led by president Jane Wylie, vice-president Nancy Gibson, treasurer Ken Nakagawa, secretary Sidney Shepardson, and adviser Mr. Byron Doenges, the Quill and Scroll Society has been an active club this year.

Theta Pi

The curtain has come down on another year of success and hard work for Theta Pi, Punahou's dramatic club. During rehearsal for a production, one can hear much activity in Dillingham Hall, and the excitement is contagious. There is hammering on sets, lines being rehearsed, and the quick footsteps of the people connected with the play. This commotion goes on for weeks before the performance and grows each day to a higher pitch. Finally, the opening night arrives. One can hear voices coming from the dressing room in nervous tones. Then the cast is called into the green room. Each one is given directions, and all is ready. The student director calls, "Places for First Scene, First Act." The show on which everyone has worked so hard is underway. Then suddenly we realize it is over. Everyone rushes to get most of his make-up off, and away we go in droves to the cast party. The theater is lots of fun, and Theta Pi is the backbone of all dramatics at Punahou.

Theta Pi, an honorary dramatic organization established in 1933, has been an active school club ever since. Two plays are produced each year. The fall play of this school year was *Stage Door*, produced for the second time by Theta Pi. This year the leading role, Terry Randall, was excellently portrayed by Sidney Shepardson. *The Divine Flora* produced in the spring is the story of a plain girl who was made beautiful. The lead was ably handled by Elinor Brooks. The play revolves around a group of teen-agers and their very typical parents. Everyone who saw the play walked away with memories of certain experiences which the play had revived.

The officers for this year have been: Jack Young, president; Sidney Shepardson, vice-president; Jean Fox, secretary; Ellen Schattenburg, treasurer. Mr. Breneman, the director of the plays, has unusually close contact with his actors and actresses and is highly regarded by them as "the indispensable Mr. B."

Double Triple Trio

The girls' Double Triple Trio is an organization of eighteen picked female voices whose purpose is to sing at various school and community activities as well as for the group's own pleasure.

During the past year, under the direction of Mrs. Marjorie Shadduck and Elinor Brooks, president of the group, the girls' Double Triple Trio participated in many activities. They gave a Christmas concert, sang in chapel services and assemblies, entertained at the new Tripler General Hospital, sang at St. Andrew's Cathedral, and contributed much to the success of the Spring Review. In addition, a system was set up which enables the girls to earn letters for their work, and plans were made for next year's schedule.

Junior Glee Club

The Junior Glee Club has been very busy this year under the direction of Mrs. Marjorie Shadduck. The following activities were among the highlights. At Christmas time we sang carols at both the Shriner's Hospital and the Kapiolani Hospital. Then we gave our Christmas concert for the students of the Junior Academy; this was followed by a performance in the evening for the parents. At the end of the year we climaxed our efforts with our annual operetta. This year we chose "Trial by Jury." The following students composed the cast: Donald Smith, Polly Pintler, Robert Deatrick, Michael Stroup, Roland Jackson, Michael McCormack, Kathleen Cadinha, June Santos, and Thomas Guild. Mildred Guigar, a sophomore, was our accompanist.

B. Kahanamoku

Senior Glee Club

Under the direction of Mrs. Marjorie Shadduck, the Senior Glee Club, composed of both boys and girls this year, met regularly for rehearsal every day of the week. Upon several occasions they sang for chapel services and for assembly programs. The first term's activities were climaxed by the Christmas Concert given at Dillingham Hall. The highlights of the second term were the annual spring concert and the Music Festival which took place at the University of Hawaii. In the latter event the Glee Club competed with other schools for top honors. In June the Senior Glee Club cooperated with other music groups in putting on a banquet.

Next year a point system, which should encourage the "song-birds" in keen competition, will be put into effect. Those receiving the most points will be awarded medals for their active part in the club.

The fine work of Mrs. Shadduck and the splendid cooperation of every member helped to make 1948-49 a most successful and enjoyable year.

E. Smythe, J. Souza, D. Yap.

Boys' Glee Club

The Boys' Glee Club, organized in October of this year, met twice a week, and under the excellent guidance of Mr. Russell Stephenson learned to sing and to enjoy Hawaiian songs, Negro spirituals, and ballads. Led by our capable officers: Clyde Isaacs, president; Douglas Philpotts, secretary-treasurer; and Donald Yap, librarian, we surged ahead and several times sang for chapel services and assembly programs. We also participated in the Music Festival held at Hemenway Hall at the University of Hawaii. In spite of the difficulties with which any new organization has to contend, we think that we have had a successful year and have shown that the Boys' Glee Club is worthy of a permanent place in Punahou.

The present members feel that the boys who will be here next year should know of the personal enjoyment to be derived from joining the Boys' Glee Club. We enjoyed the whole experience and believe that the Boys' Glee Club should, in the future, play an important part in Punahou's extra-curricular activities.

Hui Eleu

Hui Eleu has long been in existence at Punahou. Throughout the years it has changed from one form to another, but the idea has remained the same—to help the school, the community, and the girls themselves.

This year each member devoted her time to one of the following activities: knitting, sewing, making gift boxes, or bookmaking. All of the work was done for the Red Cross. At Christmas time a gift was given to each child at the Shriners' Hospital.

Hui began the year with the traditional informal initiation, the Candlelight Service, which took place in Montague Hall. In January the Mother-Daughter Tea and Fashion Show was held at the Pavilion. The highlight of the year, however, was the spring formal with its popular theme, "Easter Parade." The dance was well attended and proved to be one of the best social events of the year.

With Miss Brewer as adviser, this year's cabinet consisted of Marian Schattenburg, president; Lei Knapp, vice-president; Ginger Charlock, secretary; Jean Fox, treasurer; Martha Lee Conger, program chairman; Gainor Lloyd, publicity chairman; and Nancy Gibson, social chairman.

Oahuan Hi-Y

Under the able direction of Chaplain Driftmier, Hi-Y divided its activities between a project and a full social calendar. For its project this year the club chose to "adopt" the Shriners' Hospital and act as general handy men, doing everything from radio repair and painting to a little amateur play production. The social activities of the year began with a bang. The first week-end after the club was reorganized, a beach party was given at the Lanikai Beach home of Dick Steadman, social committee chairman. The social activities continued with numerous parties, dinners, and dances. The Club's program committee, headed by Alan Kruse, presented the club with numerous interesting programs during its club periods on Friday.

The officers for this year were: president, Sandy Wood; vice-president, Alan Kruse; secretary, Donald Kimata; and treasurer, Paul Char. Every member of the club served on one of the three standing committees: social, program or project.

The members hope that next year will see the Hi-Y occupy an even higher position in community life.

Music Club

"Music hath charms"—this has been the motto for the Music Club. Our principal aim was to achieve a better understanding of music of all types from the modern works of contemporary composers to the music of the classical masters.

A small group facilitated the free and interesting discussion which took place in our meetings after we had spent part of the period listening to selections from an album of music. Occasionally Mrs. Shadduck, the club adviser, read biographies of the artists from record albums and told anecdotes concerning their private lives and careers. At times these anecdotes provoked lively discussion and inquiry concerning everything about a well-known figure in the musical world.

Several times Mrs. Shadduck caused moans from the members with quizzes about instruments used in the symphony orchestra or the names of composers and their works. For those who came to listen and not to work such taxing of the mind did not seem necessary, but it was surprising what one could learn!

The club also sent ushers to various concerts and made lists of good musical programs heard on the radio. All in all, it was an active and educational year that we spent in the Music Club.

Bridge Club

The Punahou Bridge Club completes another successful year, this time under the tutelage of five advisers. The increase in number of advisers has been necessary because of the huge turnout for the club at the beginning of this year. At that time the club was divided into three basic sections and two advanced. The basic sections, about thirty members each, are composed of players who are learning the game initially. The basic sections this year have as advisers: Mrs. Bond, Miss Sinclair, and Mr. Hickok. The two advanced sections are handled by Mrs. Townes and Mr. Daggett. In these sections a little of the advanced theory of bridge is discussed, sample hands are played, and proper bids mentioned.

The order of the day in the three basic sections has been typical conversational bridge, "play-as-you may" type, with the stress along social rather than academic lines.

The Bridge Club has proved to be one of the most popular clubs this year, boasting a membership of approximately a hundred fifty boys and girls. Because of the several divisions of the club and the informality of the meetings there were no officers elected this year.

E. J. Greaney, R. Clarke, L. Loo, Dr. Potter.

M. Tokioka, M. Morris, N. Hussey, B. Dwight, E. Brooks.

Forum Club

The Forum Club represents Punahou at the Students' Far East Round Table (an inter-school forum), at meetings of the Institute of Pacific Relations, at the University of Hawaii International Relations Club, and at other community gatherings where social problems are discussed.

Club meetings usually feature informal discussions and debates with occasional guest speakers. Students interested in politics, social problems, and debating are welcome members. Everybody is given the opportunity to express himself freely on the questions of the day.

Officers for the first semester were E. J. Greaney, Ray Clarke, Lorraine Loo, and Annette Hiu. Second semester officers were Bill Swenson, Frances Mossman, Pat Bernard, and Gretchen Steiner.

Debaters.

Holomua Y-Teens

The Holomua Y-Teens have come through with flying colors this year under the able leadership of President Elinor Brooks and the excellent counsel of Mrs. Helen Watt.

Until February, Y-Teen members could belong to Hui Eleu as well as to Y-Teens; but since the club was so large, it was decided to break off the relationship. This done, the club became a smaller and more unified group.

Among the many projects undertaken were a very enjoyable beach party at the Y.W.C.A. Beach Club, a "box-supper," a conference at Camp Halekipa, work on the Y-Teen paper, and an "old clothes drive."

It can truly be said by many a Y-Teen member that this organization is an enjoyable as well as a beneficial one.

Pleasant work.

Rally Committee

T—E—A—M—Fight! expresses the spirit that the Rally Committee endeavored to arouse before each football game this year. With the aid of Mr. Lawrence Daggett and the song and cheerleaders, the rallies went off smoothly with plenty of vim and vigor. Surely the team and its backers will never forget the fiery speech delivered by Judge Steadman, the sincere wish of Harry Field, Chaplain Driftmier and his "St. Louis Blues," and our own Mr. Daggett and his paddle board. Not to be denied, "the boys" performed in the last rally, affecting everyone, especially the seniors, with their rendition of the familiar "Boys of Oahu" and other school songs.

Song and Cheerleaders

The spirited and vivacious song and cheerleaders played a vital part at the football games this year. The girls who led song after song were Patsy Melarkey, Dulce Dease, Ellen Schattenburg, and Sally Faye. They added a special touch to the traditional songs with tricky new steps.

When the going was tough, Ian Kinnear, Hisako Takakuwa, David Clarke, and Carole Muirhead led the student body and showed the boys that they were being backed all the way.

Punahou will long remember the 1948 season for its display of the true "Punahou Spirit," its "never-say-die" philosophy, and its truly admirable sportsmanship.

Plenty fight.

Science Club

A successful year behind them, Punahou's Science Club has proved its value on the campus. The club's main purpose is to help build better citizens for tomorrow. With a large membership under the capable guidance of Mr. Richard Huxley, the club has taken up and followed through on several interesting subjects. The study of geodetics, new scientific principles, human behavior, and mental hygiene enlightened greatly the members as to the physical and mental needs of our contemporary society.

It is hoped that next year the club will have its own laboratory in which to carry on experiments.

Chemical and engineering principles as demonstrated by working on various problems in a laboratory would be useful knowledge for the members.

This year's able officers were: Sam Stewart, president; Whitney Gordon, vice-president; Heaton Wrenn, secretary; and Donald Li, treasurer.

Hiking Club

The Hiking Club prospered and accomplished much this year, even though we had our share of problems. After Captain DeBrocke, our club adviser, left in December, Chaplain Driftmier and Mr. Nelson were kind enough to help us out for the remainder of the year.

We have had many a joyous hike following the trails and striding the scenic slopes. We also enjoyed a few parties: a masquerade in October to initiate new members and to acquaint ourselves better with one another, a going-away party in November for Captain DeBrocke, and in April a club dance held at the Pavilion. As we seniors leave Punahou, we know that the juniors and sophomores will perpetuate the Hiking Club and perhaps achieve more next year than we have done.

The officers for this year have been as follows: Ed Ludloff, president; Hal Burgess, vice president; Babs Neves, secretary-treasurer.

Chaplain Driftmier, H. Burgess, B. Neves, A. DeVelschow, E. Ludloff.

Stage Crew

The Punahou Stagecrew is an organization set up to help run Dillingham Hall. Its main functions are maintaining the equipment in the "Hall" and setting the stage for school productions.

The club as organized this year under Jack Young, stage manager, aided by assistant stage manager, Watson Clifford, has five divisions: lights in charge of Toby Prosser; sound, Peter Piper; construction, Watson Clifford; rigging, Urban Wild; properties and costumes, Kathie Martin. Mr. Harold Kruger, Mr. Wesley Weber, and Mr. Alydne Breneman acted as advisers to the club. During the second semester Jack Young resigned as stage manager and was succeeded by David King.

Accomplishments of the Stagecrew this year have been many, but the two outstanding ones have been setting the stage for the Variety Show and constructing a unit set to be used by the school for general dramatic presentations.

Another project this year was finding a home for the new equipment, lights, and curtains that were acquired for the fall play, "Stage Door," and the spring play, "The Divine Flora."

With its present job finished, the stagecrew waits with anticipation for its next assignment.

FIRST ROW: U. Wild, B. Sideris, W. Clifford. SECOND ROW: E. Ludloff, J. Young, T. Prosser. THIRD ROW: K. Martin, L. Hance, N. Quinn, P. Piper.

Alpha Rho Tau

Alpha Rho Tau, one of the newer clubs in Punahou, has made great strides this year under the leadership of Mrs. Juanita Kenda, the Senior Academy art teacher. The presiding officers were Nalani Warren, president; Orla Howell, vice-president; and Maureen Meyer, secretary-treasurer.

Making posters, painting sets for the plays, working on the mural for the Senior Academy canteen, and mounting pictures were some of the projects of the club. Artistic pictures were mounted on contrasting paper and placed in the different class rooms. The club also decorated the halls and windows at Christmas time. Perhaps the highest point of the year, however, was the art exhibit held by the members in the spring.

The club has heard lectures on commercial art by some of Honolulu's most prominent artists. The members have also made several interesting visits to the Art Academy.

Assembly Committee

Under the leadership of Pat Merrill and the counseling of Mrs. Townes, this year's Assembly Committee made a record to be proud of. The main purpose of the committee was to put on assemblies that the students would find both educational and enjoyable.

Our assemblies were highlighted by scientific explosions, talks on juvenile delinquency and on the work of the Better Business Bureau. In the entertainment field we enjoyed exchange Variety Shows, the University Choir, our Glee Club and Dance Band.

Extra-Curricular Committee

This year the Extra-Curricular Committee, under the guidance of Miss Florence Hodgson, consisted of three students from each class. The group kept a record of the after-school activities of every student. Another duty of the group was to keep a list of those students who made the honor roll every six weeks. The committee advised the students to drop outside activities if their grades were suffering from them; or, in some cases, the committee stimulated interest in extra-curricular activities when that interest was lacking.

Canteen

The Canteen operated under a new plan this year. Each week a different homeroom was responsible for putting on the program. Thus new and better ideas were brought into circulation, and consequently the Canteen became a better Friday night entertainment spot. Dances, movies, games, amateur hours, and many other forms of entertainment were presented.

There were two slates of officers this year, one for each semester. Bill Fink and Jim Tuggle were the two presidents. Mrs. Francis Bowers and Mr. James P. Iams were advisers for the group.

Social Committee

Under the competent supervision of Mr. James Iams, the Social Committee has successfully performed its duty. The purpose of this committee is to promote and improve Punahou's social functions. Any organization wishing to sponsor an activity must present its proposed program before the Social Committee for approval.

Two dances a year are sponsored by the committee—the Aloha Dance and the Lettermen's Ball in honor of the boys who have earned letters in any sport at Punahou.

G. Johnston, R. Young, C. Agee, C. Wadsworth.

Camera Club

The "shutter-bug" fans have, in addition to other activities, been busy this year on a project for the benefit of the entire school. This project has been to produce a photographic pamphlet on the sciences taught at Punahou. The pamphlet discusses all science classes from the elementary grades to the biology, chemistry, and physics courses of the Senior Academy. It also includes information on the science clubs.

Photographing the activities of these courses and writing articles on them have given the club pleasure and experience. The first term was spent in planning the project since we did not have the equipment then to go into operation. However, these plans were put into action during the second semester when the photographic equipment necessary was obtained. The photographic work has included the following phases: developing, printing, and enlarging. Co-operation and participation on the part of both the beginning and the advanced members have made this undertaking a success.

The club was led this year by Charles Wadsworth, who was assisted by Bob Young, vice-president; Ceeley Agee, secretary; Gilbert Johnston, treasurer; and Mr. Kruger, faculty adviser.

Dance Band

It's "The Upstarts" that take the stage as this year's school dance band. Providing fine show entertainment in the way of vocals and ensembles, they made a hit with every audience before whom they appeared. In addition to putting together a fine show of their own, they have played in the Variety Show, at the canteen, and at school dances.

The interest shown by the members in improving themselves individually as musicians and also as a group has been keen. It is this spirit that makes the band such a worthwhile organization. For interested musicians it provides an opportunity to learn much about the styles of popular music.

The year's officers were George Yamasaki, director; Gilbert Ogawa, manager; Doug Warne, secretary-treasurer; and Kit Smith, librarian. Under the guidance of Mr. Dwight Tiefenthal, the orchestra got together for rehearsals on Mondays, Wednesdays, and Fridays.

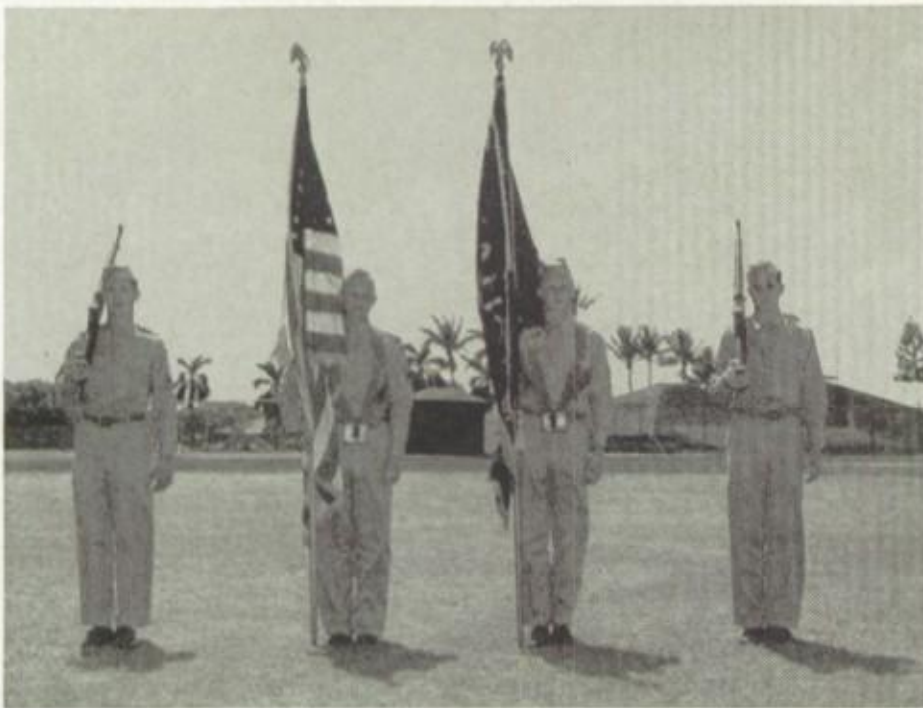

Next year's band will indeed miss its present adviser, Mr. Tiefenthal. For the past four years he has always been ready with essential advice and help whenever it was needed. To him goes most of the credit for whatever success the dance band has had.

The purpose of the Punahou R.O.T.C. program this year was to further the knowledge of the cadets of the national defense program. Experience gained from drilling and commanding was a secondary aim. These goals were accomplished under the direction of Major Morey and Sergeants Blair and Thurston.

In the spring Dr. Fox and Mr. Curtis witnessed reviews staged in their honor. Throughout the year the battalion looked forward to the annual inspection made by the Army in the late spring, hoping that again they would be chosen the honor high school.

Band

W. Curtis

Mr. Dwight Tiefertal has ably conducted the Punahou band through another successful year. During his four years as director of the band, Mr. Tiefertal has built it up enormously until now it is a very impressive organization.

The band began its schedule for this year by playing for our football games and rallies. It provided sparkle and vitality, spurring the rooters on to produce one of the best cheering sections of the season. With the Roosevelt High School Band, the Punahou musicians provided entertainment for the spectators between the halves of the Punahou-Roosevelt game by performing on the field. The bands together formed an "Aloha." The band drilled and played with several high school, service, and other local bands in one of the most colorful Shrine games ever performed. The band was asked to play for the Texas Miners in their game against the University of Hawaii. It played and cheered the Texans on to an overwhelming victory. The good performance and spirit of the band at the University of Hawaii-Texas Miners game greatly impressed some of the spectators, and the band was invited to play for the Clipper-Warrior game.

In the early part of February the entire music department at Punahou presented a concert at Dillingham Hall for interested

parents and friends. Students from grades three through twelve participated in this program of instrumental music. The various groups ranged from early elementary pupils playing song flutes to the advanced band which played several numbers. This program showed the progress being made in music at Punahou. In the spring the band gave a concert on April first. Because the band worked hard in preparing for this concert, it was a great success. The glee club cooperated with the band in selling tickets for the concert. The money that was taken in helped finance a party which the band and glee club gave together.

This year Mr. Tiefenthal was assisted by Joyce Tiefenthal as student director. Bill Curtis, as drum major for the second year, ably led the band in marching. The band made a very smart appearance on the field in their white uniforms with buff and blue stripes. This year the band numbered approximately eighty students, who were divided into two sections—the advanced musicians and the beginners. Each rehearsed and played without the other until spring when the intermediate band joined the ranks of the more advanced group.

Mr. Tiefenthal has done a grand job with the band during his four years as its director. He will be sorely missed next year. Since his arrival at Punahou, he has done a great deal to enlarge Punahou's band department. To Mr. Tiefenthal for a job well done goes a hearty thanks from not only the band, but the entire school.

Wilcox Hall

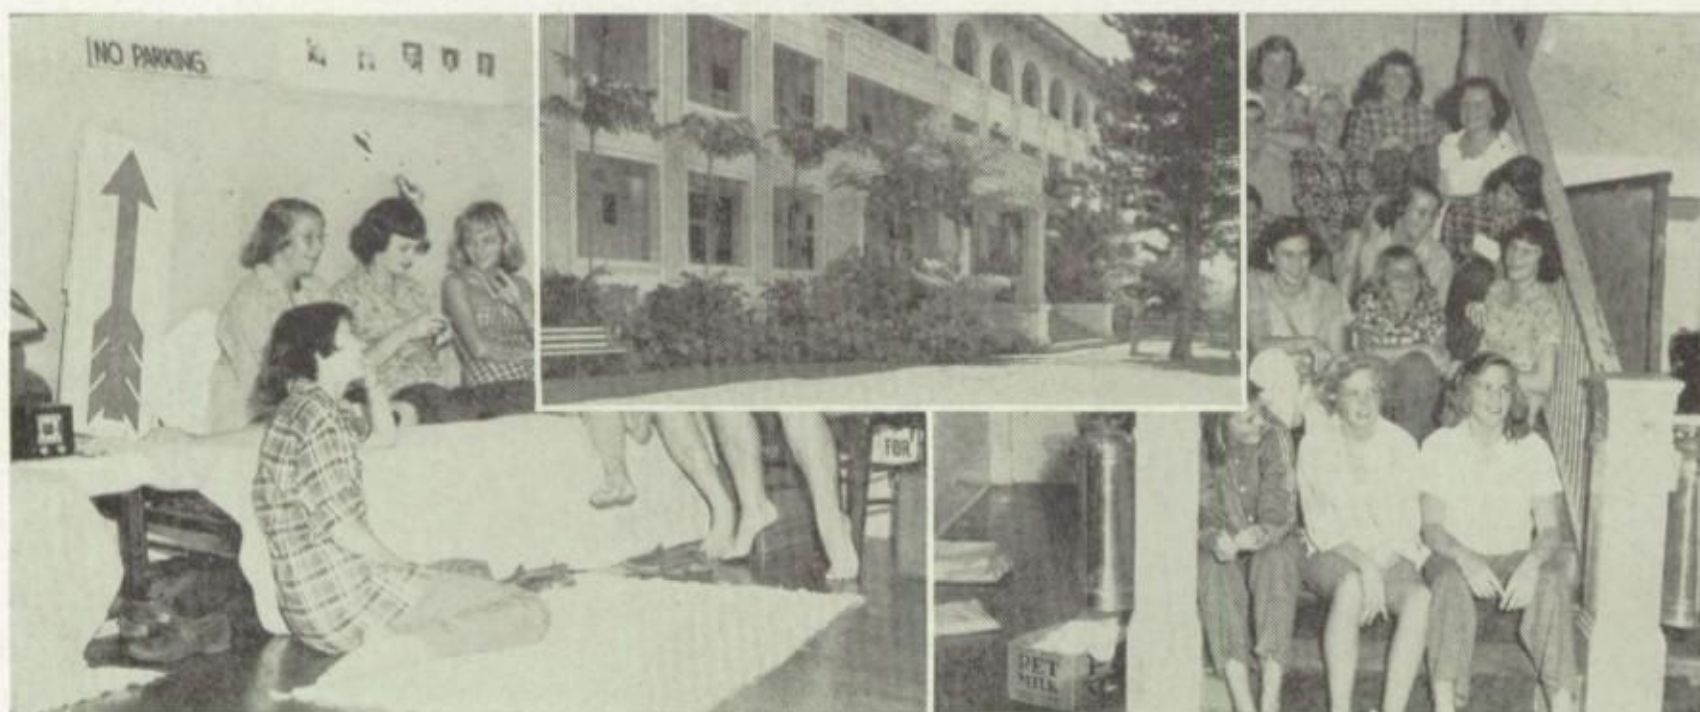

Through storm and sunshine, sickness and health, success and failure, the Wilcox Hall residents have stood firm and lasted another year. This feat was accomplished partly through the leadership of Bob Herkes, the dorm president. Giving helpful advice from the sidelines were Mr. Byron Doenges, the head dorm master, and his two assistants, Mr. Bob Russell and Mr. "Bernie" Burns.

During the course of the year several events stood out as milestones marking our progress. First of all was the annual initiation in which all freshmen and new members of the dorm were royally welcomed into our humble abode by a thorough dunking in the famous lily pond. The Thanksgiving Day dinner was next on the agenda, and the boarders were fed in style. A tragic chapter in the story was the invasion of "da bug," Virus X, leaving no more than a few healthy men residing in the dorm. This disease was overcome only after many had missed their semester exams. Tennis, the scourge of Wilcox Hall, brought eight new tennis courts alongside our home. All went well until pneumatic drills were brought in to lessen the task. From that moment on our days of leisure were at an end.

So goes the life at Wilcox from one year to the next. People come and people go, but always there remains the same spirit.

Castle Hall

"Who borrowed my red rogue shirt?" "Has anybody got a quarter for the Bendix?" "Is that my bell?" "I'm coming!"

Those who are familiar with Castle Hall will recognize these calls which may be heard echoing down the corridors of the girls' dorm. They are reminders that the girls of "Hash House" who eat, sleep, work and play together, sharing each other's tears and laughter, gain all the more out of life for doing so.

Under the able guidance of Mrs. Florence Judd, housemother, the Hall Council, with Connie Feeley as president and Ellen Montgomery as vice-president, directed business matters and laid out the social calendar. Included in the year's schedule were the formal Christmas and Thanksgiving dinners, a Christmas party for the faculty children, the successful Yuletide dorm dance, "The Candy Cane Hop," in collaboration with Wilcox Hall, and the spring picnic.

In the way of constructive undertakings, Castle Hall financed several CARE packages for war refugees and sent old clothes to the European Aid fund. The girls' dorm was represented on the swimming team, in dramatic productions, on the ROTC field, and in school and city musical recitals.

Yes, 1948-49 was a good year, a year that will never be forgotten by the class of '49 of Castle Hall.

Junior Academy Student Council

The Student Council was organized so that students might express their opinions on different matters. It also helps to keep the faculty in touch with student opinion on various student problems. Furthering many activities in school, such as assemblies, chapel services, and extra-curricular activities, so that the school may benefit by them, is another of the Council's several tasks.

The Council consists of a president, who is in the ninth grade; a secretary, who is in the eighth grade; one representative from each home-room and one faculty member, who is appointed by our principal to act as adviser. Our vice

president and treasurer are nominated from and elected by members of the Council.

In nominating candidates for president and secretary there are a number of qualifications to be kept in mind. An average of B- or better for all subjects for the year must be maintained, as well as an average of "2" or better in effort. Initiative, cooperativeness, ability to speak in public and to take responsibility are qualities which the candidate must have.

There are three main committees in the Council: the assembly committee, the chapel committee and the honors committee. However, many other committees are chosen during the year.

This year John Bowles was elected Council president and Rachel Coleman, secretary. Barbara Rhoades was our vice president and Tony Jenks, treasurer. Mr. Benson was appointed Council adviser.

Now at last we are freshmen, rulers of the Junior Academy! We have reached the first of our two goals. In three more years* we will have reached our second and more glorious goal—our senior year at Punahou.

Our class has added quite a bit to the life of the Junior Academy, both athletically and socially. Our boys made a fine showing in football against other schools as well as in the Buff and Blue games. There was a strong turn-out for Junior Varsity Basketball and Baseball; quite a few made the grade. For the swimming team we have produced several promising members. Socially, perhaps our Holoku Ball last fall and our class picnic this spring highlighted the year.

Now as we begin our final advance, we leave behind us all our treasures and the happiness that we have had within the walls of Bishop Hall.

CLASSES OF 1953

Everyone agrees that our eighth grade year will long be remembered. Now we are quite at ease in the Junior Academy and find that we enjoy the many activities it has to offer. We have all declared that the parties, hikes, picnics, dances, and canteens are unsurpassed. Our record in studies has been excellent too with a good percentage of honor roll students.

In sports we're not to be outdone. We expect to present Punahou with a fine football team. Already many eighth graders have made an excellent showing on the junior swimming team, and we have promising material for the basketball and tennis teams.

Some of the best assembly entertainment has been given by our class. *The Perfect Wife*, *Let's End It All*, and the Variety Show proved that the class of 1953 is not lacking in dramatic ability. The party of the year was our semi-formal dance at the Pavilion in April.

We go into the ninth grade hoping that we can continue as an active all-around class.

The first year in Junior Academy for the one hundred forty-four pupils in the seventh grade has been one of pleasant surprises. The change from what now seems to have been a free and easy style of elementary education to the Junior Academy program proved rather hectic for many during the first weeks of the semester.

The setting up of study schedules, changing rooms for different subjects, and more homework than before were some of the difficulties met. Social events and outside activities were enjoyed by the entire grade. The seventh grade took charge of one of the Junior Academy canteen programs this year, at which time movies were shown, games played, and refreshments served.

We have enjoyed our many new experiences this year and look forward to a long, successful career here at Punahou.

History repeated itself again this year when Punahou lost out on the championship by a mere twenty seconds. After Buffanblues had won five straight games and tied one, Farrington finally stopped the streak by winning on a miracle catch.

Coach Fritz Minuth had only four returning "O" Men, and during the early stages of the season the team didn't look too good. They kept improving with every game, however, and took everyone as they came. First was Kaimuki, then McKinley. They topped the highly touted Kam eleven next; then they came back in the final two minutes to tie the classy St. Louis gridders. The next victim was the Roosevelt Rough Riders. The Iolani gridders went down after a hard battle, and then Farrington handed out the lone setback, which cost Punahou the pennant. The Buffs, however, came back to defeat them by one point in the Turkey Day game.

PUNAHOU 19—KAIMUKI 12

We defeated Kaimuki in our opening game. With the score tied at 12 to 12 midway mark, we pushed over the winning tally early in the third period after a sustained drive.

PUNAHOU 15—McKINLEY 0

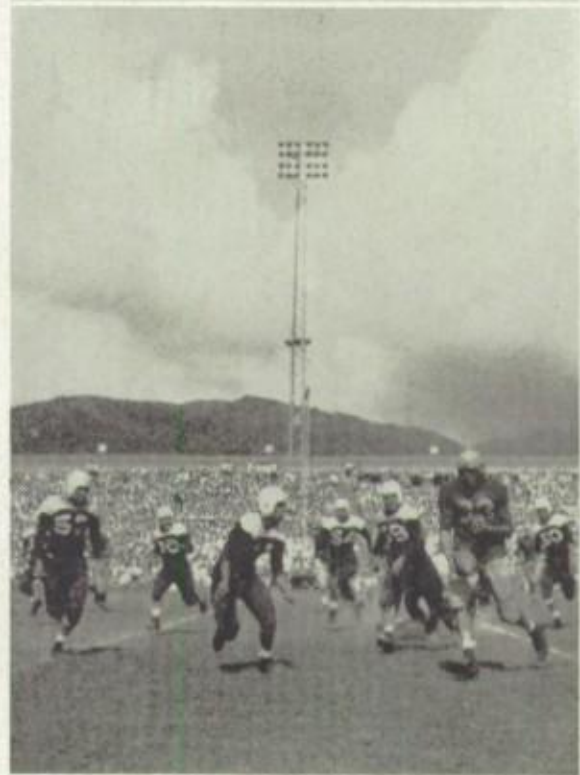

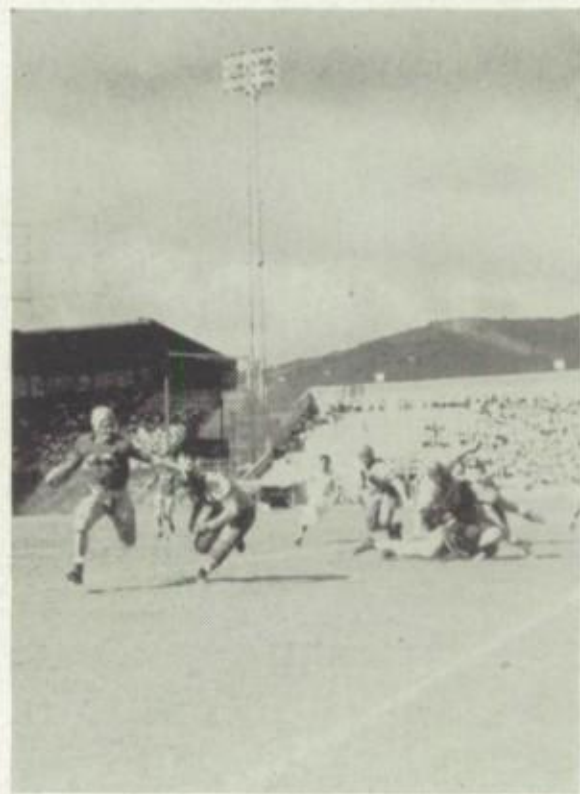

In our next game we gained revenge by downing the McKinley Tigers 15 to 0. A sharp passing attack coupled with an excellent defense proved to be more than the Tigers could handle.

PUNAHOU 6—KAMEHAMEHA 0

We upset the highly favored Kam eleven 6 to 0 to gain our third straight league triumph. We capitalized on our one good break, an intercepted pass, in the second period to score the only touchdown.

PUNAHOU 13—ROOSEVELT 10

We overcame a six-point deficit and then staved off a desperate Roosevelt rally to eke out a close 13 to 10 win. Our rivals couldn't score thru our strong line but scored two safeties in the last quarter.

PUNAHOU 14—ST. LOUIS 14

A desperate rally in the last three minutes of the game enabled us to battle St. Louis to a 14 to 14 deadlock. We uncorked a desperate passing attack which netted us the tying score.

PUNAHOU 7—IOLANI 6

With the Raiders ahead 6 to 0, just one play before the half, Bim Wilson nabbed an Iolani pass and rambled 66 yards to pay dirt, and Ane booted the winning point.

PUNAHOU 18—FARRINGTON 22

Our championship hopes were shattered by Farrington as they put over the winning tally with 20 seconds remaining in the contest.

This year's hardwood team had the unfortunate schedule of meeting the top teams in the league in the early part of the season. Although they dropped their first five games in a row, Coach James Doole's crew found the range to win their last three conference games in a row.

Captain Jim Hutchinson, along with David Eldredge and Charles Ane, who were lettermen on last year's championship team, served as the nucleus of the 1949 squad.

Receiving their monograms this season were Captain Jim Hutchinson, David Eldredge, Charles Ane, Robert Fase, Robert Muirhead, Peter Butler, Randy Worthington, James Brewer, Reuben Zane, and Manager Richard Walker.

PUNAHOU 31 — KAMEHAMEHA 34

In our opening game of the season we went down to defeat at the hands of a big Kamehameha five, 34 to 31. We led for three quarters, but the winners put on a last minute rally to win.

PUNAHOU 27 — FARRINGTON 50

A well-coordinated five from Farrington handed us our second straight loss by a score of 50 to 27. The Gavs leaped off to an early lead, and we were unable to cope with them for the remainder of the game.

PUNAHOU 36 — ST. LOUIS 43

The St. Louis Crusaders, who later became territorial champions, jumped to a big lead in the first period before the Buffanblus could find the range. The Puns came back strong to tie the score, but the Saint team had too much class and pulled away at the end. This was probably the Puns' best game of the season.

PUNAHOU 34 — McKINLEY 51

Playing without two of our mainstays, we were handed our fourth consecutive lashing by McKinley with the final tally reading 51 to 34.

PUNAHOU 37 — MID-PACIFIC 51

The classy Mid-Pacific Owls jumped off to a huge lead in the first period and waded on to a 51 to 37 triumph. We sorely missed the services of Charlie Ane, David Eldredge, and Bob Muirhead.

PUNAHOU 47 — IOLANI 45

In a thrilling contest we won our first game by a close win over the Iolani Red Raiders by a score of 47 to 45. The winning digits came on Charlie Ane's hook shot with seconds left in the game.

PUNAHOU 31 — ROOSEVELT 25

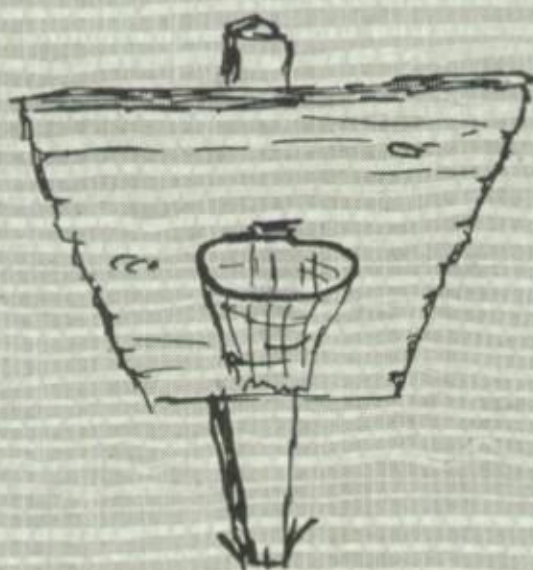

We gained our second straight victory by edging out our arch rivals from Roosevelt, 31 to 25. After trailing for three periods, we pulled away in the final minutes of the hard fought contest.

PUNAHOU 48 — KAIMUKI 44

We completed our schedule with a close 48 to 44 win over the Kaimuki Bulldogs. We pulled ahead early in the game and staved off a strong Bulldog comeback to turn in our third victory.

Punahou's swimmers, coached by Rollie Higgins and assisted ably by Carlos Rivas and Cline Mann, can lay claim to the title of the "best high school swimming team" in the territory for the 1949 aquatic season.

The Buff'nblues during the past season, captured all dual meets besides the three major swimming meets: the MIT Relays, the Yale Meet, and the Territorial Meet. Incidentally, the Puns took either first or second in every event in the MIT Relays enabling every swimmer to earn his letter.

Swimming for their alma mater for the last time were the following seniors: Captain I. Kinnear, B. Cooper, G. Mowat, J. Anderson, D. Howard, E. J. Greaney, and A. Freer.

This year's golf team, captained by Ian Kinnear, is again a strong contender for the flag. Coach Larry Daggett has several returning lettermen and also a fine crop of up and coming starters. Returning "O" men include Ian Kinnear, Robert Kauaihilo, and Dick Steadman. Other members of the team that should come through with flying colors are Donald Houvener, John Walker, Alan Crawford, Grandison Perry, and Jerry Fuller, a ninth grader.

The teams are much more evenly matched this year, but Kaimuki is again favored to cop top honors. However, the Puns, St. Louis, Farrington, and McKinley should press the "Bulldogs" all the way.

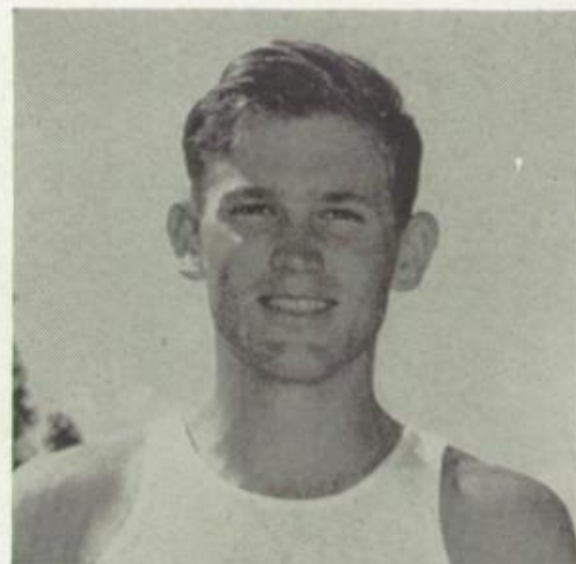

All matches are played on the Ala Wai layout on Wednesday and Friday afternoons.

The crack Punahou track squad captured their fifth straight championship by virtue of a well earned $49 \frac{2}{3}$ to $34 \frac{1}{3}$ victory over Roosevelt. The team was again coached by Bob Paris and Spud White.

Starting off the season with only eight lettermen and several green rookies, Coach Paris developed one of the finest cinder squads ever to perform on local tracks.

After being upset by Roosevelt in their last dual meet, the Buffn'blues came back to take the Cornell Relays in easy fashion. Two long standing records were broken: the mile and sprint medley. A week later the Puns again took the Interscholastic meet with the mile relay again being broken.

The team was sparked by Co-captains Heilbron and Muirhead with Gerard, Wilson, and Hutchinson also turning in outstanding performances.

Sparked by five returning lettermen, the Puna-hou baseball squad is again one of the leading contenders for this year's interscholastic crown. Coach Jim Doole has rounded out a well-balanced nine with Charlie Ane on the mound and Darwin Chang behind the plate. The infield is sparked by Captain Dave Eldredge at short, David Linn at first, Harry Takahashi at the key stone bag, and Ray Maesaka, who holds down the hot corner. In the outfield are Bob Fase, John Kerr, and Gwin Ordway.

In their first encounter the Puns downed the defending champions, St. Louis, by a score of 10 to 0. As the *Oahuan* goes to press, the team's possibilities in the remainder of the season's games seem excellent.

The Punahou racket swingers will be seeking their fourth consecutive championship this year in the Honolulu Interscholastic League. The competition will be much keener than it has been in previous years with Iolani and Mid-Pacific and the other schools all sporting very promising teams.

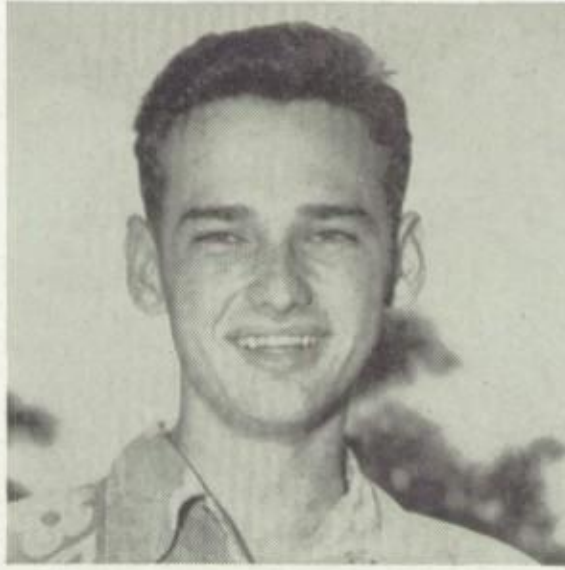

The team, captained by Sandy Wood, managed by Sam Woolley, and coached by Ralph Witt, will sport the following line-up: 1st singles: William Fink; 2nd singles: Robert Smythe; 3rd singles: Arthur Duff; 4th singles: Mort Lydgate; 5th singles: Sandy Wood; 1st doubles: William Fink-Robert Smythe; 2nd doubles: David Duff-Tony Jenks.

The team will play all but one of their matches on the Punahou courts.

Under the expert coaching of Sgt. Jim Blair, Punahou's rifle team, composed mainly of sophomores and captained by the team's only returning letterman, Bob Shaw, got a good start this year. With only three veterans returning, the team placed twelfth in the 6th Army Match. This feat enabled the team to participate in the National Match, another first in Punahou's history. The squad spent many hard hours at the rifle range preparing for the big matches. The squad is sure to fare very well in all matches in which it participates.

As this goes to press, the team has not completed its season, but it promises to go straight to the top.

The Junior Varsity football team was coached this season by two former U.C.L.A. athletes, Mr. Ken Kiefer and Mr. Bob Russell.

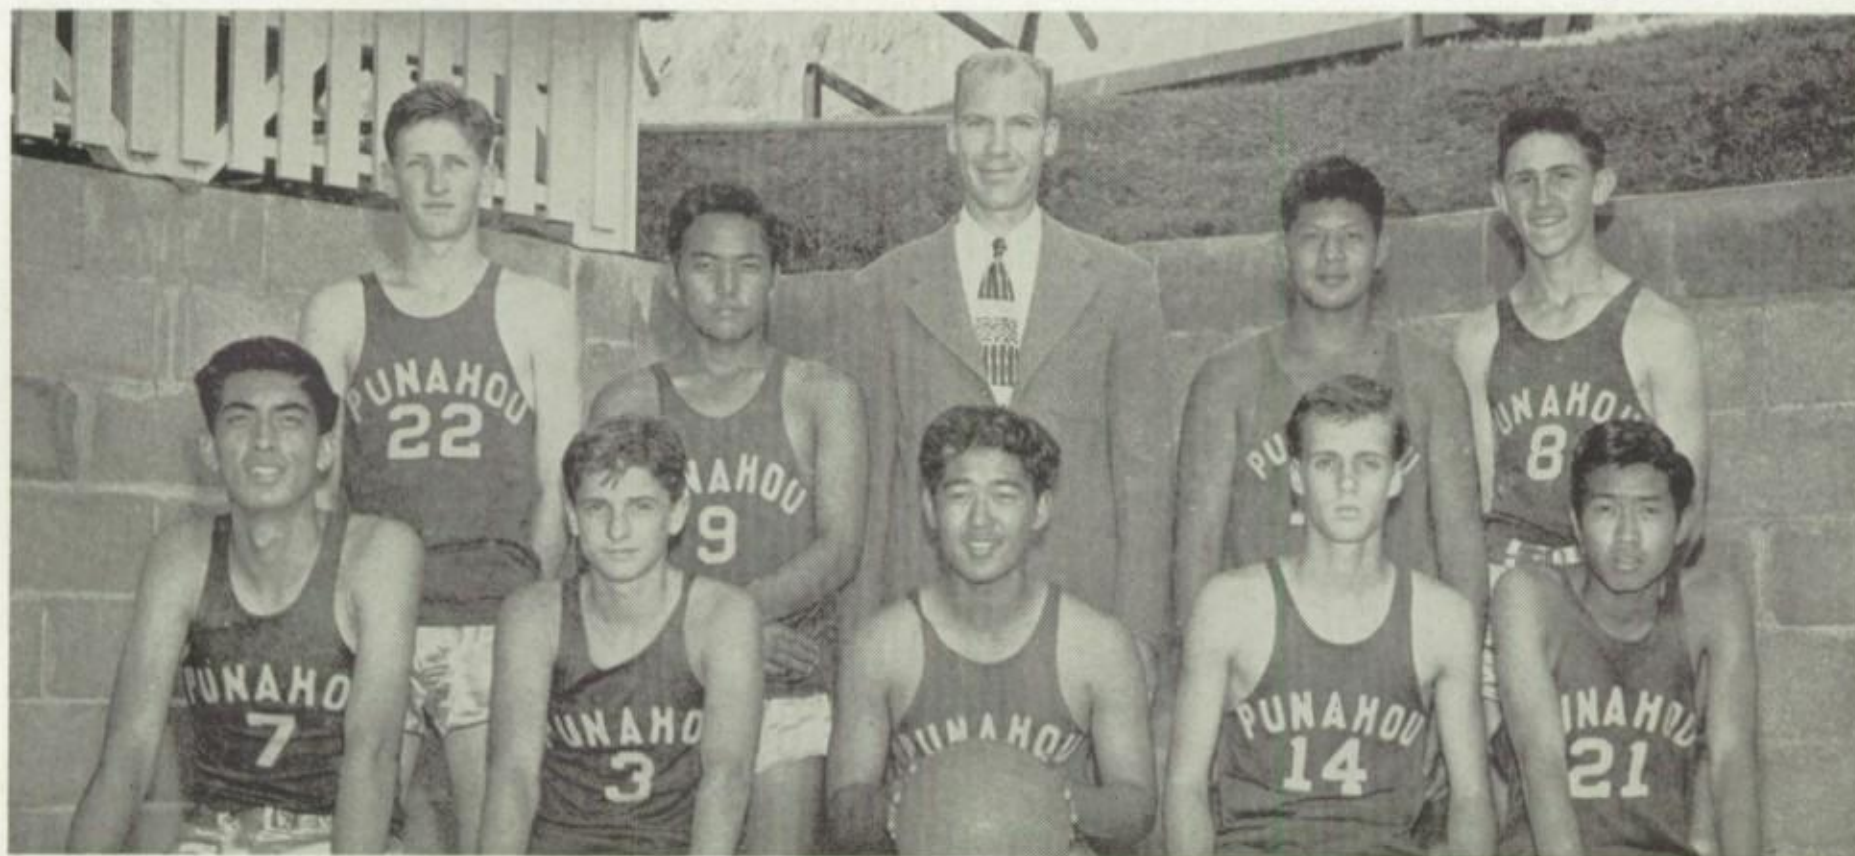

Most of the boys on the team were yearlings, their first year in junior scholastic play. However, they managed to split their gridiron season by winning four games and dropping the same number.

Zane, Kang, and Ordway are a few promising players for next year's team.

Coached by Mr. Harry Waters, the Punahou basketball juniors had a rough season because of the lack of experienced players. Although they took eight straight drubbings, the boys ended the season with a well-earned victory over Mid-Pacific.

High point men for the season were Harry Takahashi, Ken Ross, Ivan Oyer, and Bob Kauaihilo. Bob and Ronald Kang were promoted to the varsity squad near the end of the season.

The future Punahou track men who comprised the junior varsity track team were coached by Mr. Ken Kiefer and Mr. Robert Russell. These lads have not as yet placed in senior competition.

With Mr. Russell handling the sprinters and Mr. Kiefer the distance men, several outstanding performers were developed for next year's squad. In the Junior Scholastic track meet, the Buffanblus made a fine showing.

Punahou's junior varsity nine, coached by Mr. John Godfrey and Mr. Bernard Burns, had a turnout of many youthful aspirants for the various positions on the team.

Under the masterful pitching of Victor Moeller, the Babes split their exhibition games with the Mid-Pacific Owls and the Punahou '49ers.

With fine team spirit, the juniors are expected to go far in the Junior Scholastic Baseball League.

The great enthusiasm of the girls made the Punahou Girls' Athletic Association a great success this year. The presentation of "Calendar Splashes" was praised highly for its original work. This top-notch aquacade was held in December instead of May as in former years. Approximately two hundred girls from the elementary grades and the Junior and Senior Academies performed in the two-night program.

The after-school sports program got off to a good start in the first six weeks with a large turnout. Hockey, volleyball, and softball followed in the succeeding six-week periods.

A system whereby the best players were on Team I, the next on Team II and so on was put into effect. This enabled each girl to develop her skill in the different sports. Any girl turning out for three-fourths of one six-week period earned a hundred points. To earn a letter it was necessary to acquire 500 points by the end of the year.

Under the able guidance of the cabinet consisting of Hisako Takakuwa, president; Ann Yager, vice-president; Marian Schattenburg, secretary; Mildred Morris, treasurer; and Miss Betty Griffiths, adviser; the P.G.A.A. has had a fine season.

The Punahou Girls' Swimming Team this year climaxed a successful season by swimming to their fourth straight Interscholastic championship.

With many returning veterans and the addition of several new discoveries, Punahou boasted the best balanced team in the Interscholastic League. After the first of the year several dual meets were held with other schools in the League, all of which Punahou won. Our swimmers also copped the Uluniu Bowl in a meet in April and were awarded the beautiful silver trophy for the fourth year. Later in the year Punahou entered both the indoor and the outdoor AAU championship meets.

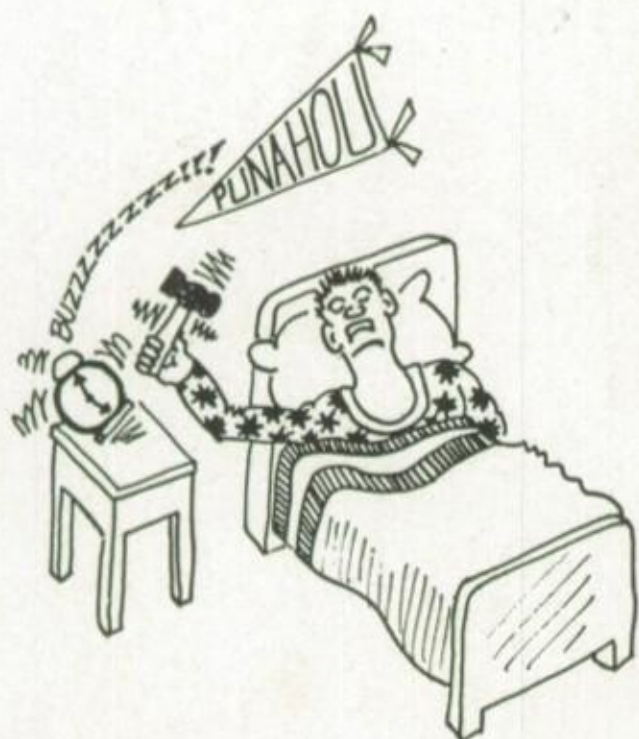

Much of the credit for the success of the team is due to the untiring efforts of Rollie Higgins, who gave his time and energy to help the swimmers.
